"Folay's Honey and Tay Compound acts more like a food than a medicine."

Mr. Will G. Richmond, Inglewood, Callf., says:—'I wish to recommend Folay's Honey and Tar Compound as it has greatly benefitted me for bronchial trouble and cough. It acts so well in harmony with nature that it is more like a food than a medicine."

Foley's Honey and Tar Compound has a wonderfully quick way of soothing and healing the raw tickling surface of the throat and bronchial tubes. It eases the tightness over the chest, raises the phlegm easily, and helps the stubborn racking cough that is so exhausting and weakening.

It is the best medicine you can make for coughs, colds, spasmodic croup, whooping cough, la grippe and bronchial coughs, hoarseness, tickling throat and stuffy wheesy breathing. It contains no opiates, and is acceptable to the most sensitive stomach.

New York, Nov. 26.—The United States supreme court was suggested to. day by President Nicholas Murray Butler of Columbia university as a model for an international court of justice. Dr. Butler's idea was outlined in an address at a luncheon given by the World Court League.

"What we mean by a court, in the American sense, is absolutely unknown in Europe," said Dr. Butler. "This has been the great obstacle in our efforts to bring about the establishment of a world tribunal. Unless such a court Wage Increase Announced. Wage Increase Announced.

Notices were posted throughout the rooms of the Lawton Mills company's plant Monday announcing an advance in wages to go into effect December 4. The amount of the increase is not made known but operatives employed in the plant are of the opinion that the increase will be from 5 to 10 per cent. The increase comes as a surprise to the employes of the plant.

There are about 900 or 950 operatives in the Lawton Mills who will be benefited by the increase.
